GENERAL INFORMATION

The application must be submitted electronically using the FNP electronic system by registering at <https://wnioski2023.fnp.org.pl>. After logging in to the electronic system, choose from the list of available calls for proposals the one relevant to Measure 2.2 FENG First Team, and then proceed to filling in the application for funding. Data in the electronic form should be filled in in Polish to the extent indicated in the application. Annexes should be uploaded into the system using the appropriate template forms. Specimen forms can be found both in the "Downloads" section and in each section requiring the relevant document to be attached.

Information clause

Data controller

The administrator of personal data of all persons participating in the implementation of the First Team Project (on behalf of the Applicants, Beneficiaries, external entities, including persons indicated in the application for funding of the Project in the competition: contact persons for Project assessment on behalf of the Applicant, entrepreneur, Principal Investigator), as well as persons authorized for current contacts in the implementation of the Grant Agreement, processed for the purpose of participation of these persons in the process of application for support and subsequent First Team Project implementation is the Foundation for Polish Science with its seat in Warsaw, Ignacego Krasickiego 20/22, 02-611 Warsaw, registered in the register of associations, other social and professional organisations, foundations and independent public health care centres, conducted by the District Court for the Capital City of Warsaw in Warsaw, 13th Economic Department

of the National Court Register under the KRS number 0000109744, NIP 5260311952, REGON 012001533). The Administrator shall process all personal data specified in the application for co-financing the Project in the competition, as well as other personal data indicated in competition and project documentation.

Data Protection Officer

The Controller has appointed a Data Protection Officer (DPO). You may contact the DPO on all matters concerning the processing of your personal data, e-mail address iodo@fnp.org.pl or at the Administrator's registered office address.

Purpose, legal basis and duration of processing

Personal data shall be processed for the purpose of carrying out a project co-financed from European Union funds on the basis of the provisions of the Act of 28 April 2022 on the principles of implementation of tasks financed from European funds in the financial perspective 2021-2027, in particular:

- a) evaluation and selection of the proposal for funding.

If funding is awarded:

- the conclusion of the contract for the implementation and funding of the Project,
- supervise the execution of the Project,
- its evaluation, control, audit,
- evaluation of information and promotion activities,
- acceptance of the Project, its evaluation and financial settlement,
- and where applicable to the establishment, assertion or defence of claims.

Personal data has been obtained from the Applicant who has completed the grant application in the FNP system, alternatively personal data may come from publicly available records.

The legal basis for the processing of personal data by the Administrator is the fulfilment of legal obligations and the performance of tasks carried out in the public interest or the exercise of public authority entrusted to the Administrator. Providing personal data is a statutory requirement and failure to provide it may result in a negative assessment of the application or failure to conclude a grant agreement.

Personal data will be processed in accordance with the regulations on the national archives and archives, until the completion of all tasks related to the implementation and settlement of the FENG 2021-2027, subject to regulations that may provide for a longer period of control, in addition to the regulations on state aid and *de minimis aid*, as well as the regulations on tax on goods and services.

Recipients of personal data

Personal data may be communicated to the following categories of data recipients: public authorities and entities performing public tasks or acting on behalf of public authorities, in particular: European Funds Ombudsman, experts, Audit Authority, European Union (EU) institutions or entities entrusted by the EU with tasks related to the implementation of the FENG 2021-2027, to the extent and for the purposes that result from the provisions of the law, entities providing services

necessary for the FNP to perform its tasks, including IT partners, entities providing technical or organisational support (with such entities processing data on the basis of an agreement with the Administrator and only in accordance with the Administrator's instructions). In the case of transfer of personal data to experts or reviewers outside the EU, personal data will be transferred to a third country subject to the requirements established by data protection legislation and adequate or appropriate safeguards.

Data subjects' rights

At any stage of the FNP's processing of your data, you have the right to:

1. access to your data, including obtaining information about the extent of the data we process and obtaining a copy of that data;
2. to modify and correct their data, provided that there are no other legal contraindications to limit their processing;
3. the complete deletion of your data ("right to be forgotten"), if there are no other legal contraindications;
4. not to be subject to automated decisions based on profiling;
5. to object to the processing of personal data, unless there are other legal contraindications;
6. limitation of processing, unless there are other legal contraindications;
7. to transfer the data to another Data Controller, if the data are processed in connection with a consent given or a contract concluded;
8. lodge a complaint with the President of the Data Protection Authority about inappropriate data processing;
9. revoke consent at any time without affecting the lawfulness of processing carried out on the basis of consent before revocation (if processing is based on consent).

Detailed information on how to exercise your rights can be found on the FNP website (www.fnp.org.pl), under *Data Protection* (<https://www.fnp.org.pl/ochrona-danych-osobowych/>). By proceeding with the editing of the application, I declare that the persons whose data have been included in this form have been informed of this fact by providing the information on personal data protection indicated in the above information clause. I declare that, upon request of the Intermediate Body, I will provide confirmation (in written or documentary form) that these persons have read the above information clause.

9. VERIFICATION AND APPLICATION

1/3 Verification and closure of the application

The system automatically checks the application against the required fields and annexes. Any errors or omissions are displayed with an indication of the section in which the correct data should be entered. Correct verification involves activation of the "Finish editing data" button. After the button has been used, it will not be possible to make any further changes to the application.

2/3 Generation and downloading of the application

Generate an application

Button to generate an application and download it as a .pdf file

The downloaded application must be signed using an electronic signature.

3/3 Attachment of the signed application

To properly submit an application, attach the signed, pre-generated .pdf application and then use the 'Submit Application' button. The system will inform you that the application has been submitted correctly and send information to the email addresses indicated in the application.
