Applicant: …………………………………………………….

Project title: ………………………………………………………

Project implementation schedule

The table presents the basic information required when submitting an application. If necessary, the table can be modified by the Applicant(s) by introducing additional tasks and changing the number of reporting periods appropriate to the project implementation period. The length of one reporting period is 6 months.

The table should include all planned research groups, the period of achievement of all project tasks indicated in the Research Agenda and indicate milestones

1

No.	Task	1 reporting period	2 reporting period	3 reporting period	4 reporting period	5 reporting period	6 reporting period	7 reporting period	8 reporting period	9 reporting period	10 reporting period
1.	Organisational and administrative Measure										
1.1	Appointment of ISC										
1.2	Verification of the agenda with the support of ISC										
1.3	Purchase of low-cost research equipment										
2.	Research groups										

2.1	Group No. 1											
2.1.1	Recruitment of the group leader (if applicable)											
2.1.2	Recruitment of group members											
2.1.3	Start of research activities											
2.1.4	Establishing cooperation with Entreprenour											
2.2	Group No. 2											
2.2.1	Recruitment of the group leader (if applicable)											
2.2.2	Recruitment of group members											
2.2.3	Start of research activities											
2.x	Establishing cooperation with Entreprenour											
	Group No X											
	.....											
	.....											
	.....											
3.	Task 1: ...											
4.	Task 2: ...											
5.	Task no. x... ...											
6.	Assessment of research group leaders and their teams with support from ISC											

7.	Obtaining external funding										
8.	Other research-related measures
