Publikacje w czasopismach

1. Gorczyński A., Harrowfield J. M., Patroniak V., Stefankiewicz A. R., 2016, **Quaterpyridines as Scaffolds for Functional Metallosupramolecular Materials**, *Chemical Reviews*, 116, 14620-14674.
2. Gorczyński A., Marcinkowski D., Kubicki M., Löffler M., Korabik M., Karbowski M., Wiśniewski P., Rudowicz C., Patroniak V., 2018, **New field-induced single ion magnets based on prolate Er(III) and Yb(III) ions: tuning the energy barrier U_{eff} by the choice of counterions within N3-tridentate Schiff-base scaffold**, *Inorganic Chemistry Frontiers*, 5(3), 605-618.
3. Gorczyński A., Kubicki M., Pinkowicz D., Pełka R., Patroniak V., Podgajny R., 2015, **The first example of erbium triple-stranded helicates displaying SMM behavior**, *Dalton Transactions*, 44(38), 16833-16839.
4. Gorczyński A., Pakulski D., Szymańska M., Kubicki M., Bułat K., Łuczak T., Patroniak V., 2016, **Electrochemical deposition of the new manganese(II) Schiff-base complex on a gold template and its application for dopamine sensing in the presence of interfering biogenic compounds**, *Talanta*, 149, 347-355.
5. Fik M. A., Gorczyński A., Kubicki M., Hnatejko Z., Fedoruk-Wyszomirska A., Wyszko E., Giel-Pietraszuk M., Patroniak V., 2014, **6,6''-Dimethyl-2,2':6',2''-terpyridine revisited: new fluorescent silver(I) helicates with in vitro antiproliferative activity via selective nucleoli targeting**, 86, 456-468.
