

Urszula Górską
Lista publikacji

Publikacje w czasopismach

1. Górską, U., Rupp, A., Celikel, T., Englitz, B. (2021). Assessing the state of consciousness for individual patients using complex, statistical stimuli. *NeuroImage: Clinical*, 29, 102471.
2. Górską, U., Binder, M. (2019). Low-and medium-rate auditory steady-state responses in patients with prolonged disorders of consciousness correlate with Coma Recovery Scale-Revised score. *International Journal of Psychophysiology*, 144, 56-62.
3. Górską, U., Binder, M. (2019). Low and medium frequency auditory steady-state responses decrease during NREM sleep. *International Journal of Psychophysiology*, 135, 44-54.
4. Górską, U., Rupp, A., Boubenec, Y., Celikel, T., Englitz, B. (2018). Evidence Integration in Natural Acoustic Textures during Active and Passive Listening. *Eneuro*, 5(2), ENEURO0-0090.
5. Binder, M., Górską, U., Griskova-Bulanova, I. (2017). 40 Hz auditory steady-state responses in patients with disorders of consciousness: Correlation between phase-locking index and Coma Recovery Scale-Revised score. *Clinical Neurophysiology*, 128(5), 799-806.
DOI: 10.1016/j.clinph.2017.02.012
